

FAKE NEWS CHALLENGE – the International Edition

Are you ready for it?

Who?

8 teams of 2-3 students each - fake news detectives

2 teams per country: Romania, Bulgaria, Turkey, Bosnia and Herzegovina

What?

You will do a pilot-test of a new and improved fact-checking methodology proposed in the project “Disinfo Academy”.

More precisely: Find a claim verified by a fact-checking organization, analyze it critically, and re-write the respective piece of fact-checking based on the suggested methodology. Don't worry, you will have a practical Handbook to guide you. You will tailor the content for dissemination in digital environment and make it interesting for young audiences.

Please note that the materials & your presentation during the live event will be delivered in **English**.

Put your fact-check into one of the following digital formats:

- Infographic
- Brochure/ leaflet
- Short animation
- Short video

You will present your solution during a live online event, and a jury of international experts will decide the winners. We have cool prizes for the best teams!

When? How?

I. April 29 - May 12 – Registration form [here](#)

II. May 13 - Registered teams receive a detailed competition brief & The fact checker's guide to debunking disinformation narratives

III. May 22: All candidate teams submit their work for the preselection

IV. May 23-24: National preselection (based on your submitted work). Two teams per country will enter the live event.

V. May 27: Pre-selection results are announced

IV. May 28, 3 PM EEST: Fake News Challenge live online event
